

# Aditya Singh

Web Developer | Frontend

Having a strong grip on design and making adorable and stunning webpages using CSS, and responsive at the same time. Also had knowledge of Node.js build logic across the website.

## EDUCATION

### AMITY University, Noida — BCA

JULY 2022 - STILL GOING

Currently pursuing my bachelor's degree to add more values and skills to my life. In the first sem, I aggregated 8 sGPA and acquired a lot of knowledge about Programming and all.

### GBSSS no- 1 Samalka, New Delhi — 12<sup>th</sup> CBSE

APRIL 2020 - MARCH 2021

Had completed my senior secondary with a **70+ percentage** by Science Stream with Physics, Chemistry, and Bio as the main subject and **Maths** as my additional subject.

### Heera Public School, Samalkha — 10<sup>th</sup> CBSE

APRIL 2018 - MARCH 2019

In matriculation got a special advantage to **IT as my 5th subject**, and this helps me a lot to make my roots strong in the field of Web Designing.
